

Dallas Wimer, Bob Doss, Ron Seamans, Johnny Cota, Rob Kniss, Turner delivered a Teamster truckload of hand-wrapped presents donated by members of Local 63. The presents went to help the Teamsters of Local 891 (based out of Jacksonville, Mississippi) have a special Christmas.

Turner said the scene was as heartwarming as it was heartbreaking. The Teamsters of Local 891 couldn't thank them enough, and sent back thanks to Local 63 members for giving up their Christmas party to aid Local 891. "They figured that everyone would forget about them because most of the media had left," Turner remembered. "They were happy to see their fellow union members helping out — they said that's something you think

you'll never need, but that you're glad it's there when you need it."
