

# Secretary-Treasurer Randy Cammack Accepts Iraq Troops' Freedom Flag on Behalf of Teamster Members

During the 2007 holidays, for the second year in a row, Local 63 members voted to forego their traditional holiday celebration in favor of sending care packages to the troops in Iraq.

The care packages were delivered to Lima Company, a Marine unit that included LCPL Mason Stevens, the son of Local 63 member and ABF Driver Todd Stevens.

At the March membership meeting the Color Guard was on hand to formally present LCPL Mason Stevens to Secretary-Treasurer Randy Cammack, the Local 63 Executive Board and the

entire Local 63 membership.

LCPL Stevens then presented the Iraqi Freedom Flag to Secretary-Treasurer Randy Cammack and the membership of Local 63.

This was the flag that flew over his command post in Iraq. The Stars and Stripes were pre-

sented to Local 63 membership in appreciation of their generosity.

"In forfeiting their holiday party," Secretary-Treasurer Randy Cammack said, "the membership made the Holiday season brighter for this group of men and women serving in harm's way. This generosity truly made a difference."
